

4 March 2024

Dear Manager,

We are delighted to inform you that one of your staff has been nominated to participate in our new 'Mary Seacole & Me Storytellers' program.

NHS England has launched a new partnership with the Mary Seacole Trust (MST) to raise the profile of internationally educated nurses and midwives and their contribution to the healthcare system and communities in the UK.

As Mary Seacole was an international nurse who overcame incredible challenges, the program aims to enhance similar/parallel stories and more.

The objective is to build a diverse network of storytelling people who will deliver talks on behalf of the Mary Seacole Trust to our communities through schools, hospitals, and organisations, telling not only Mary's story but their own.

The programme will provide the successful applicants with tools and mentoring to progress in their careers by developing their confidence, presentation and public speaking skills, facilitating connections and building resilience.

This letter kindly requests your support for them to attend the program and be supported to attend the induction day on Thursday, 4th April 2024, and the celebration event on Wednesday, 9th October 2024, both in Richmond, London.

For further information, please contact us via the Mary Seacole Trust at contact@maryseacole.org.uk or one of the Storytellers planning committee.

Further details of the program can be found on our website.

Yours sincerely,

Mary Seacole Trust

c/o Moore Barlow Solicitors
